

CURRICULUM VITAE - DANIELE LICCIARDO

EDUCATION

PhD student – on going
November 2022-today

Milano-Bicocca University, Milan, Italy

PhD in Clinical Neuroscience – Medicine and Surgery Department
Tutor: Prof. Ildebrando Appollonio; Supervisor: MD-PhD Valeria Isella
PhD Research: “*A data-driven classification and cognitive and metabolic imaging characterization of Posterior Cortical Atrophy*”

Residency – five years
November, 9th, 2021

Milano-Bicocca University, Milan, Italy

Neuropsychology Specialization || vote: Summa Cum Laude
Tutor: Prof. Giuseppe Vallar; Supervisor: MD-PhD Valeria Isella
Thesis: “*Classificazione data-driven e caratterizzazione cognitiva e metabolica dell’atrofia corticale posteriore*”

Master’s degree – two years
October, 28rd, 2015

Milano-Bicocca University, Milan, Italy

Psychology || vote: Summa Cum Laude
Tutor: Prof. Giuseppe Vallar; Supervisor: Prof. Alberto Gallace
Thesis: “*Orientamento dell’attenzione visuospatiale e temperatura corporea*”

Bachelor’s degree – three years
July, 23rd, 2013

Messina University, Messina, Italy

Psychology || vote: 108/110
Tutor: Prof. Antonella Gagliano
Thesis: “*Iperattività e impulsività nei bambini con disturbi pervasivi dello sviluppo: un’esperienza di trattamento psicofarmacologico di pazienti con comorbidità tra i due disturbi*”

Graduate Diploma – six years
2005-2010

Conservatory of Music “Francesco Cilea”, Reggio Calabria, Italy
Organ and organ composition and rhythmic solfeggio

CLINICAL EXPERIENCE

February 2017-today
Memory Clinic at the Fondazione
IRCSS San Gerardo
Via Pergolesi 33, 20900 Monza, Italy

Neuropsychologist

Neuropsychological evaluations of patients with suspected neurodegenerative disease (e.g. Alzheimer's Disease, Corticobasal Syndrome, Primary Progressive Aphasia, parkinsonism), with demyelinating diseases (Multiple Sclerosis) or undergoing neurosurgical surgery for brain tumors (Gliomas, Meningiomas).

Rater in Clinical Trials for patient with prodromal and early stage Alzheimer’s Disease

Tutor for the training project “*Counselling in Multiple Sclerosis*” for neurologists and for the professional internship in Psychology

Academic position as collaboration to the elective course in Neuropsychology for Milano-Bicocca University

May 2019-today
Private Policlinic Benvita Medica,
Via Cavallotti, 136, 20900 Monza

Neuropsychologist

Private Practice

Neuropsychological evaluation of outpatients

2019-2021

Neuropsychology, Healthcare Dezza,
Via Giuseppe Dezza, 48 20144 Milan

Neuropsychologist

Advanced Practicum Trainee

Neuropsychological evaluation and cognitive rehabilitation of patients with cognitive deficits after focal brain damage and neurodegeneration

2016-2019

Department of Psychiatry, Child
Neuropsychiatry, ASST Monza, Italy

Clinical psychologist

Advanced Practicum Trainee

Psychodiagnostic evaluation and treatment of adult and pediatric patients with various medical and neuropsychological condition including learning disability, autism, AIDS, psychiatric mood disorder.
